Mail Service Prescription Drug Program**

For members enrolled in the FEP Medicare Prescription Drug Program, if your doctor orders more than a 21-day supply of covered drugs or supplies, up to a 90-day supply, you can use this service for your prescriptions and refills.

Please refer to Section 7 for instructions on how to use the Mail Service Prescription Drug Program.

Note: You must obtain prior approval for certain drugs before Mail Service will fill your prescription. See Section 3.

Note: Not all drugs are available through the Mail Service Prescription Drug Program.

Note: We waive your cost-share for available forms of generic contraceptives and for brand-name contraceptives that have no generic equivalent or generic alternative, as listed in each therapeutic class under the HRSA guidelines found at <https://www.hrsa.gov/womens-guidelines>, when purchased from a Preferred retail pharmacy. You may seek an exception for any contraceptive that is not available with zero-member cost-share. Your provider will need to complete the Contraceptive Exception Form under Pharmacy Forms found on our website at www.fepblue.org/claim-forms. If you have questions about the exception process, call 800-624-5060.

Contact Us: If you have any questions about this program, or need assistance with your Mail Service drug orders, please call 800-262-7890, TTY: 711.

Note: If the cost of your prescription is less than your copayment, you pay only the cost of your prescription. The Mail Service Prescription Drug Program will charge you the lesser of the prescription cost or the copayment when you place your order.
