**Under Standard Option and Basic Option**, you may fill prescriptions at a pharmacy that participates in our nationwide network. The network includes retail pharmacies, mail service pharmacies and specialty pharmacies. You may also receive your medication from a long-term care pharmacy when your care is handled in or by a long-term care facility. You will receive a copy of the pharmacy directory, which lists all pharmacies participating in our network, in your enrollment package. You may also go online to our webpage [www.fepblue.org/medicarrx/resources](http://www.fepblue.org/medicarrx/resources) for a complete listing.

Note: Due to manufacturer restrictions, a small number of specialty drugs used to treat rare or uncommon conditions may be available only through select pharmacies in our network.
